HOW TO READ YOUR UTILITY BILL

Below is a sample Utility Bill and explanations of the bill features.

TIPS: * Always include the bottom portion of the statement and use the enclosed return envelope.

* Always write your Account Number or Customer Number on your Check or Money Order.

* Consider other payment options such as Online Payments or Bank Draft.

* Allow sufficient time for postal delivery.

* If paying via bank draft, your bill will state, "Will be paid by bank"

* If paying at the office bring the entire bill with you.
